SMART Goal Rationale:

Evangelization

Create a retreat to initiate the communities (ministries) where we assist in finding their mission of service to the parish.

Evangelization

We will create a program where we will support the existing communities (ministries), strengthen them and instruct them in their mission. The first year we will receive, the second year we will live, and the third year give, imitating our Blessed Virgin Mary. We will create more communities (ministries) and evangelize the youth and their families.
